- 2. DCP-01031**

## What could have been done.....

- \* Leather steering wheel center pad
- \* Steering wheel center pad with DMC logo

Now both wishes are fulfilled: luxurious black leather steering wheel center pad with imprinted DMC logo

- \* Logo in perfect detailed outline print; will stay visible due to printing technique

Available in two versions:

- 1** Do It Yourself (black leather imprinted patch only): order code **DCP-01031**

No extra charges for covering your pad; minimal shipping charges

- 2** Covered center pad (patch as in 1, but ready for your steering wheel): order code **DCP-01011**

- Send in your center pad and receive it back after being covered, or:
- Pay a refundable core charge to speed up delivery

- ! Prior to sending your center pad, please send an e-mail indicating the option of your choice and receive an invoice with instructions on payment and shipping your pad (if option 2 is your selected choice)

### Refundable core charge information:

Core charge must be paid if you don't want to send in your center pad in advance!

This core charge will be refunded once your center pad has been received.

Core charge will not be refunded if the center pad received is too much damaged to be used again. Decision on re-usability of the center pad received is solely ours.

Warranty: Limited Lifetime
