Dustcover TTS

Old rubber deteriorates overtime due to temperature and light influences.
Replacement covers ensure optimal protection of the connector inside the cover

Product Description

Material	Rubber
Fits	All 2 -pin connectors alike the TTS

Remarks

Replaces the alike OEM part
No Installation Guide needed

Note pin wire colour and position in connector before starting to replace cover.
Remove the pins from the cable end connector with extreme care before removing old cover and installing new dust cover.
Then re-install pins in connector.
